women s rights examines the history and the current status of women s rights in the united states and abroad namely denmark china afghanistan and kenya this volume highlights the means by which women challenge their respective situations and effect change within their countries with access to means of global communication such as the internet many of these movements can now look to each other as a source for what to do or avoid to implement positive change book jacket

in the united states and around the world women have been working to expand their rights for decades this informative anthology provides an overview of the history of the women s rights movement as well as an examination of the many issues being addressed by feminists today

reconciles women s rights with multiculturalism a central problem in contemporary political theory monica mookerjee reconfigures feminism in a way that responds to cultural diversity by drawing on iris young s idea of gender as seriality she argues that a discourse of rights can be formulated and that this task is crucial to negotiating a balance between women s interests and multicultural justice

in the politics of women's rights in iran arzoo osanloo explores how iranian women understand their rights after the 1979 revolution iranian leaders transformed the state into an islamic republic at that time the country's leaders used a renewed discourse of women's rights to symbolize a shift away from the excesses of western liberalism osanloo reveals that the postrevolutionary republic blended practices of a liberal republic with islamic principles of equality her ethnographic study illustrates how women's claims of rights emerge from a hybrid discourse that draws on both liberal individualism and islamic ideals osanloo takes the reader on a journey through numerous sites where rights are being produced including qur'anic reading groups tehran's family court and law offices as she sheds light on the fluid and constructed nature of women's perceptions of rights in doing so osanloo unravels simplistic dichotomies between so called liberal universal rights and insular local culture the politics of women's rights in iran casts light on a contemporary non western understanding of the meaning behind liberal rights and raises questions about the misunderstood relationship between modernity and islam

the issue of muslim women's rights never seems outdated and has become trendy in the post 9/11 environment that is the mainstream media and western politicians often view muslim women as victims of male patriarchy and frequently justify western involvement in the middle east and in other muslim majority countries at least in part to rescue women within this realm nawal el saadawi is a famous egyptian writer whose writings focus on the struggle of muslim women and are widely read in the middle east and many western societies as well because of her bold feminist views on politics religions and gender she is described as the simone de beauvoir of the arab world after the death of el saadawi in 2021 a flurry of arguments and criticism in the egyptian press and women's press around the world is created in which different social media platforms were filled with numerous comments and discussions of her writings and arguments whereas some mourned el saadawi and her dedication to women's issues others celebrated her death wishing her the worst punishment in the afterlife for what they described as her destructive thoughts this monograph genuinely analyzes her views on five controversial issues marriage polygamy divorce inheritance rights and veiling in light of qur'anic exegeses offered by two classical scholars i.e. muhammad ibn jarir al tabari and ismail ibn umar ibn kathir and two contemporary muslim feminists i.e. amina wadud and azizah al hibri by taking a critical look at her views the book contributes not only to this ongoing debate but adds value to assessing el saadawi's work and helps readers gain a greater understanding of her writings as well it also enables readers to comprehend the current tension between feminism and islam by understanding the perspectives of both sides since el saadawi's writings are available in the western countries the book would appeal to academics researchers on islam and gender and middle eastern women as well as to lay audiences interested in women and gender in muslim societies

this book provides an updated comparative overview of women's movements in latin america and the caribbean filling some of the gaps left by the existing literature it brings together case studies of nine countries argentina brazil chile colombia dominican republic ecuador mexico

nicaragua and peru and includes a comparative analysis of the overall evolution of women s rights movements across the region during the past decades this analysis shows latin america as the home to the largest strongest and most densely regionally and globally interconnected women s rights movements in the global south each chapter in this volume seeks to understand where the struggles for women s rights come from how they stand today and where they are headed to to do so they all use qualitative methodologies and most resort to first hand accounts of the processes described and reflections by the actors on their own experiences collected through surveys in depth interviews and or ethnographic observations the comparative analysis of the different national case studies reveals the main struggles in which women s rights movements are currently involved in latin america and the caribbean the quest for political representation within the state and its political institutions the fight against gender violence and the struggle for sexual and reproductive rights especially abortion rights women s rights in movement dynamics of feminist change in latin america and the caribbean will be a valuable resource for researchers activists and policy makers interested in the struggles for women s rights not only in latin america and the caribbean but in different parts of the world it will be of special interest to sociologists political scientists anthropologists and other social scientists working in interdisciplinary fields such as gender and social movements studies

courts kathleen e mahoney

examines the history and the current status of women s rights in the united states and abroad namely denmark china afghanistan and kenya

the un human rights conference in 1993 proclaimed that women s rights are human rights this book in the focus on gender series explores issues of women s rights including the legal background and history of human rights legislation the special human rights problems of women in situations of conflict or as refugees violence against women as a human rights violation women s rights as workers the rights of disabled women and the importance of providing information and training to enable women to claim their rights focusing on women s rights involves the recognition that throughout the world legal systems to guarantee rights have their roots in cultures which discriminate against women development and human rights are closely linked and the empowerment of women to claim the human rights to which they are entitled will enable them to take full advantage of development processes

the palgrave macmillan amnesty international series illuminates the greatest human rights issues facing the world today from human trafficking to poverty terrorism to freedom of expression this dynamic and accessible series encourages debate about the situation today and the path we took to get here allowing people with many different perspectives to tell their own stories of struggle created equal is a frank and clear sighted introduction to the current state of women s rights globally millions of women throughout the world suffer from violence poverty and denial of their human rights because of their gender by exploring their stories and hearing the views of both advocates for and opponents of women s rights anna horsbrugh porter

reveals the real human costs of the violation of these rights among the issues covered in this book are prostitution violence against women abortion rights education slavery pornography

women s rights as preached by women past and present by a looker on offers a compelling overview of the burgeoning women s rights movement during the late 19th century this collection gathers insights and arguments from prominent female figures providing a valuable historical record of their struggles and aspirations exploring themes of equality suffrage and social reform the book captures the spirit of an era marked by significant social change this volume serves as both a testament to the enduring fight for women s rights and an important historical document readers interested in feminism women s history and civil rights will find this collection insightful and relevant providing a deeper understanding of the challenges and triumphs of women who paved the way for future generations this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

discusses the origins history purpose achievements and future of the women s rights movement

attaining equality between women and men and eliminating all forms of discrimination against women are fundamental human rights and united nations values women around the world nevertheless regularly suffer violations of their human rights throughout their life and realizing women s human rights has not always been prioritized achieving equality between women and men requires a comprehensive understanding of the ways in which women experience discrimination and are denied equality so as to develop appropriate strategies to eliminate such discrimination this publication provides an introduction to women s human rights beginning with the main provisions in international human rights law and going on to explain particularly relevant concepts for fully understanding women s human rights

at risk in law

gerhard sociology johann wolfgang goethe university germany examines equality as a principle and practice of law in history and legal theory from a feminist perspective she reviews the history of the women s movement in the 19th and 20th centuries with a focus on germany and

examines three major legal issues women s rights in the public sphere women s legal capacities in private law and women s human rights this work was first published in german in 1990 c h beck sche verlagsbuchhandlung this american edition somewhat revised was translated by allison brown and belinder cooper and includes a new foreword c book news inc

provides information on those women s rights that are guaranteed by rights conventions

the law is a well known tool in fighting gender inequality but which laws actually advance women s rights this book unpacks the complex nuances behind gender responsive domestic legislation from several of the world s leading experts on gender equality drawing on domestic examples and international law it provides a primer of theory alongside tangible and practical solutions to fulfil the promise of the law to deliver equality between men and women part i outlines what progress has been made to date on eradicating gender inequality and insights into the law s potential as one lever in the global struggle for equality parts ii and iii go on to explore concrete areas of law with case studies from multiple jurisdictions that examine how well domestic legislation is working for women the authors bring their critical lens to areas of law often considered from a gender perspective gender based violence women s reproductive health labour and gender equality quotas while bringing much needed analysis to issues often ignored in gender debates such as taxation environmental justice and good governance part iv seeks to move from a theoretical goal of greater accountability to a practical one it explores both accountability for international women s rights norms at the domestic level and the potential of feminist approaches to legislation to deliver laws that work for women written for students academics legislators and policymakers engaged in international women s rights law gender equality government accountability and feminist legal theory this book has tremendous transformative potential to drive forward legal change towards the eradication of gender inequality
