within the field of islamic studies scientific research of muslim theology is a comparatively young discipline much progress has been achieved over the past decades with respect both to discoveries of new materials and to scholarly approaches to the field the oxford handbook of islamic theology provides a comprehensive and authoritative survey of the current state of the field it provides a variegated picture of the state of the art and at the same time suggests new directions for future research part one covers the various strands of islamic theology during the formative and early middle periods rational as well as scripturalist to demonstrate the continuous interaction among the various theological strands and its repercussions during the formative and early middle period and beyond part two offers a number of case studies these focus on specific theological issues that have developed through the dilemmatic and often polemical interactions between the different theological schools and thinkers part three covers islamic theology during the later middle and early modern periods one of the characteristics of this period is the growing amalgamation of theology with philosophy peripatetic and illuminationist and mysticism part four addresses the impact of political and social developments on theology through a number of case studies the famous mihna instituted by al ma mun r 189 813 218 833 as well as the mihna to which ibn aqil d 769 1367 was subjected the religious policy of the almohads as well as the shifting interpretations throughout history particularly during mamluk and ottoman times of the relation between ash arism and maturidism that were often motivated by political motives part five considers islamic theological thought from the end of the early modern and during the modern period

a book in english in which the author provides a brief introduction to islam through showing its great principles along with some concepts we have to follow when inviting people to islam

for more than a millennium islam has been a vital part of western civilization today however it is sometimes assumed that islam is a foreign element inside the west and even that islam and the west are doomed to be in perpetual conflict the need for accurate reliable scholarship on this topic has never been more urgent the bloomsbury reader on islam in the west brings together some of the most important up to date scholarly writings published on this subject the reader explores not only the presence of muslim religious

practitioners in europe and the americas but also the impact of islamic ideas and muslims on western politics societies and cultures it is ideal for use in the university classroom with an extensive introduction by edward e curtis iv and a timeline of key events in the history of islam in the west a brief introduction to the author and the topic is provided at the start of each excerpt part 1 on the history of islam in the west probes the role of muslims and the significance of islam in medieval early modern and modern settings such as islamic spain colonial era latin america sixteenth century france nineteenth century crimea interwar albania the post world war ii united states and late twentieth century germany part 2 focuses on the contemporary west examining debates over muslim citizenship the war on terrorism anti muslim prejudice and islam and gender while also providing readers with a concrete sense of how muslims practise and live out islamic ideals in their private and public lives

on january 21 2015 a pro isis twitter account reported that john maguire a 23 year old university drop out from the ottawa valley town of kemptville had been killed fighting kurds in the syrian city of kobani a few weeks before maguire had starred in a youtube video threatening canada for bombing isis forces in iraq he is one of the dozens of young canadians who have chosen to fight in a vicious conflict that really had little to do with them and with canada why would young people choose to fight in other people s wars especially one as bloody and cruel as this one why has isis become so good at attracting foreign fighters this book examines the lure of this radical islamist movement its religious beliefs sophisticated propaganda and vast social media networks isis is now a go to cause for alienated young people in the islamic world and the west does it offer answers to troubled young people are isis s crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves what do we do about the people who take up isis s cause but stay in their home country what do we do with the isis recruits who come home the killing game examines what draws young men and women to join violent social political movements it looks at the psychology of young men and women today and the propaganda used by all sides in the middle east conflicts as well as the security laws and the political initiatives that have been designed to stop canadians from being radicalized from the irresistible lure of marxist leninism of the 1930s through the 60s and 70s and including

the appeal of nazism to young germans in the 1930s this book also investigates what it is that draws young people to join and fight for causes as different as the spanish civil war of the 1930s and the red brigades of the 1970s but with an emphasis on the attraction of isis and radical islam in our own time
